

# Quick Battery Charger 2(AA/AAA) Black

Barcode: 8433325201968

## Specification

Dimension	L75*W36.5*H26.5mm
-----------	-------------------

## Technical parameters

USB interface parameters	DC5V 1A
--------------------------	---------

## Application environment

Environment	Indoor
Working Temperature	0°C~35°C

## Material

Main Materials	ABS
----------------	-----

## Certification

Certification	 
---------------	---

## Package

Package	pc/blister card
Outer Package	pcs/ctn
M.Package	pcs/PE bag
Unit package qty	One
Middle package qty	Five
Outer package qty	60
